

Installation Tools

ProSet® XT3

Versatile lightweight pneumatic/hydraulic power tool capable of placing Interlock®, Monobolt® and Klamp-Tite® up to ø 6.4 mm (1/4"). High force to weight ratio and innovative ergonomic design delivers maximum user efficiency and comfort.

Features and Benefits

- Ergonomic, lightweight design reduces operator fatigue
- Quick cycle time increases productivity
- Integral cycle counter helps establish accurate service intervals
- Toughened plastic body and heavy duty rubber base make it a robust tool for a long working life
- Soft touch rubber grip on handle
- Adjustable vacuum air flow minimizes air consumption
- Can be suspended

Specifications

| | |
